

EARNING YOUR TRUST ACROSS AFRICA EVERY DAY

- Establish protective solutions that are adaptable in your ever-changing world – drawn on global experience and unique local insights
- Protect your most critical assets when operating in complex environments: your people, your infrastructure and your reputation
- Secure the integrity of your supply chains with effective asset tracking and monitoring solutions
- Consolidate the response to medical, security and fire incidents
- Centralize the monitoring of your operations with innovative, integrated, value-driven security solutions
- Mitigate your reputational risk with manpower recruitment, training and management in line with the Voluntary Principles and our dedicated 'locals first' recruitment and engagement platform
- Ensure the sustainability of your operations with proactive, deliberate and systematic community engagement
- Anticipate and manage risks with real-time ground-truth and predictive intelligence reporting
- Safeguard your business resilience with ethical standards, global accreditations and purposeful adherence to all local laws and standards
