ECAMSECURE

A GARDAWORLD COMPANY

HYBRID SECURITY SOLUTIONS

GardaWorld's Hybrid Security Solutions approaches your challenges holistically, enhancing service delivery by combining human expertise with the best in technological advances to protect what matters, where it matters.

SERVICE OFFERINGS

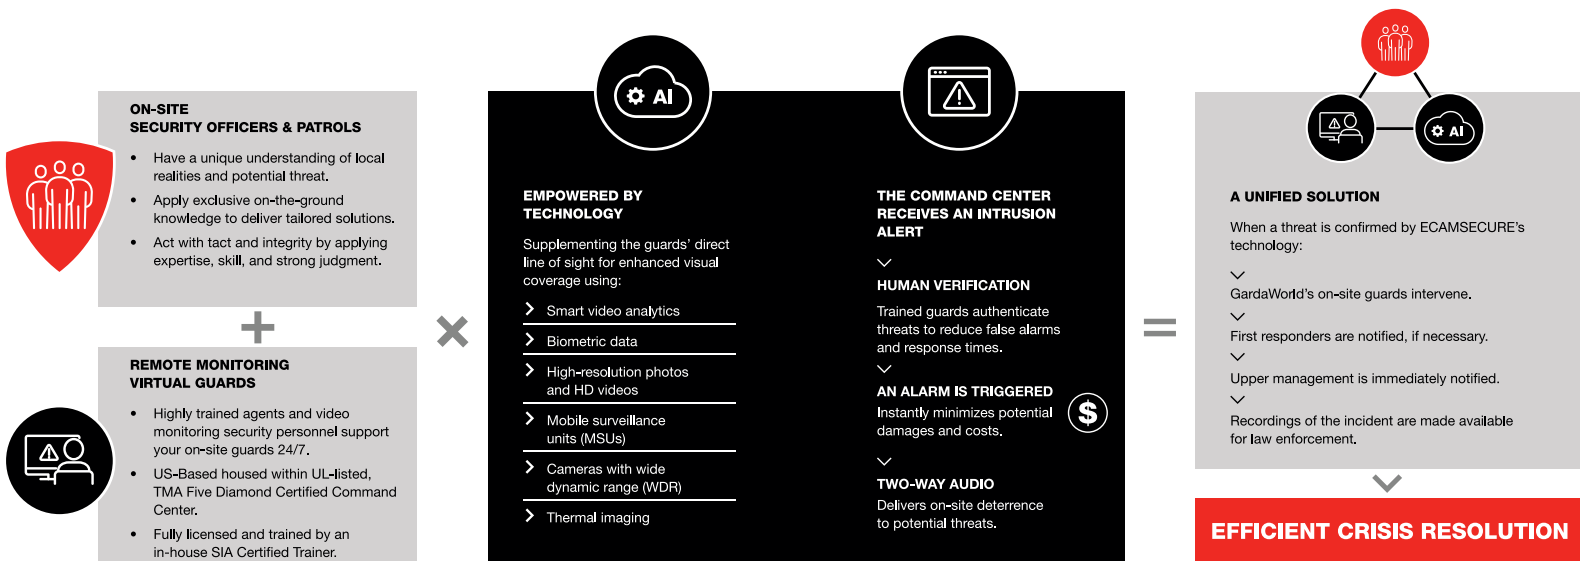

Different environments demand different solutions. Our hybrid security solutions offer a variety of integrated services including:

- ✓ **ADVANCED FACIAL RECOGNITION**
- ✓ **ANALYTICS**
- ✓ **ARTIFICIAL INTELLIGENCE**
- ✓ **MOBILE FIXED SURVEILLANCE UNITS**
- ✓ **REMOTE MONITORING**
- ✓ **ROBOTICS**
- ✓ **VIRTUAL GATE GUARD**
- ✓ **VIRTUAL GUARDING**

ADVANTAGES

- **COST SAVINGS:** Lower cost of ownership by saving money on reduced manned guarding replaced by more cost-effective virtual guarding
- **RAPID RESPONSE:** Personnel deployment upon technology prompt
- **ENHANCED SECURITY POSTURE:** Surveillance technology complimenting physical on-site guards
- **FULL-SITE PROTECTION:** Monitor multiple areas simultaneously in real-time with a combination of virtual and physical on-site guards
- **MITIGATES RISK:** Optimizes response times to unexpected situations
